

VANITY
VANPOOL™

Vanpool Tips for Commuters

1. Stay home if you are sick. Take a sick day or work from home.
2. Be flexible with vanpool size. Vanpools may need to split into smaller vehicles to allow for more physical distancing.
3. Wear face coverings while in the vehicle.
4. Keep surfaces clean. Regularly clean and disinfect frequently touched surfaces such as steering wheel, door frame/handles, windows, cup holders, gear shift, consoles and seatbelt bucklets.
5. Wash your hands with soap and water for at least 20 seconds or use hand sanitizer with at least 60% alcohol before and after vanpooling.
6. Use touchless payment when applicable.

Please follow the Centers for Disease Control (CDC), state and local recommended precautions to help reduce the spread of COVID-19.
